HIKERS GUIDE

New hikers and non-members, please contact the leader in advance. All hikes are rated. Choose only those hikes suitable for your abilities. Dress properly, especially footwear. The leader has the option of refusing unprepared persons. Carry a light lunch and water. In winter conditions, a hot drink is useful. Rain gear, extra socks, hat, sweater, and wind breaker permit you to adapt to the weather. A day pack is indispensable. Minors under 16 are welcome on day hikes when accompanied by a parent or guardian. No persons under 18 shall participate on overnight outings unless accompanied by a parent or adult sponsor over 21. **Non-members are welcome on two outings before joining ADK.**

Footwear and Clothing: Wear clothing suited to the weather and carry extra garments for unexpected weather and conditions. In winter conditions, dress in thin layers so you can adjust the number of layers as required to maintain comfort. Underwear made of polypropylene is recommended because it does not retain moisture but rather directs body moisture to the outer layers of clothing so you will not feel wet and cold. Wear and/or carry wool or polyester fleece pile outer layers which will retain heat when wet. Carry wool or polypropylene hat, gloves or mitts and a waterproof outer shell. Be prepared for rain by carrying rain gear. Wear comfortable, sturdy boots and two pairs of socks, a polyester liner and a heavy wool or polyester sock over it to avoid blisters.

Cotton sweat suits or jeans absorb moisture and do not retain their insulating properties when wet and therefore are unsuitable for winter conditions. Most hikers carry a simple first aid kit, flashlight, compass, and pocket knife. Carry a map of the area you are hiking in.

If drought conditions close trails, call leader, as location of hike might be changed.

Be aware of possible hunting in area you plan to hike. Check with the Department of Environmental Conservation for local hunting regulations. Avoid places and times where hunting is permitted. The New York-New Jersey Trail Conference can help with hunting information. Call 201-512-9348 or go on line <NYNJTC.org>

Hunting is not permitted in Harriman/Bear Mountain State Park. It is permitted in Sterling Forest State Park and Black Rock Forest. Hunting season is generally mid-October to mid-February. Sterling Forest has hunting in May from dawn to noon. **During hunting season, wear bright colors and stay on the trails.**

HIKE RATINGS represent the **Pace**, **Distance** and **Terrain** covered during the hike. A hike's rating is determined by the hike leader.

Pace: **A** = fast - 2.5 mph or faster **B** = moderate - about 2 mph **C** = easy - 1.5 mph or less

Distance is given in miles as noted

Terrain: **A** = Strenuous, long ups and downs, some rock scrambling possible.
B = Moderate ups and downs as occurs typically in Harriman.
C = Generally flat with little elevation change.

ASSUMED RISK: Hiking/biking involves certain inherent hazards. Persons participating do so at their own risk and must sign a release of liability.

EXPENSE SHARING: When car pooling, passengers are expected to offer the driver funds sufficient to cover the cost of fuel, tolls and parking fees. A \$1.00 minimum per person is recommended.

HIKE MEETING LOCATIONS OTHER THAN TRAIL HEADS:

Clarkstown: Commuter Parking Lot on Middletown Rd. just south of Exit 10 of the Palisades Interstate Pky.

Suffern: Commuter Parking between R.R. tracks and junction of Lafayette Ave. and Rt. 202.

Harriman: Commuter Parking Lot at intersection of Rt. 6 and NY 17, Use parking meters.

Tuxedo: Tuxedo Commuter Parking Lot off Rt. 17, one street north of R.R. station, Tuxedo, NY.

Most hike meeting locations can be found on NY-NJ Trail Conference maps (TC map #)

Be at meeting place at least 10 min. prior to departure time.

Pets are not permitted on hikes.

**NOTICE: Hikes lead by Ramapo hike leaders are indicated by (R).
Hikes lead by North Jersey hike leaders are indicated by (NJ).
Ramapo shares all its hikes with North Jersey.**
