A Message From The Chair

How time flies, here we are in the last quarter of the year. My favorite time of the year to get out and hike, as the weather cools down. And what a hot summer it has been! Now is the time for all our members to catch up with what is going on in our chapter of ADK.

I am sad to report that we are losing 2 long term Committee Chairs. Betty Heald is retiring from her position as Sign-In Form Collection Chair. Betty has an extensive history with our chapter, dating back to the 1970's (North Jersey Chapter). More recently (in the 1990's), she initiated our series of Thursday hikes, which are some of our most popular hikes and are responsible for bringing more new members and future leaders into our ranks. Her leadership and guidance has been an inspiration to me and everyone in our chapter.

Luckily, Mario Medici volunteered to take on the responsibility of collecting the sign-in forms. This is in addition to his job of mailing the sign-in forms to the hike leaders. And leaders, if you want to make his job a little easier, you can download the forms from our website (hudsonhikers.org). Just let him know, it can save us time and the cost of mailing.

Chris Connolly is retiring from his position as Conservation Chair. Chris was Ramapo Chapter Chair 2004-2006 and has held the position of Conservation Chair for the past 10 years. Thank you Chris for your hard work over the years. Without the dedication of people like Chris, the chapter wouldn't be the success that it is.

While it is sad we are losing Chris, this could be a great opportunity for a member to step up and get involved. We also need a volunteer to take the job as Programs Chair. Please contact me if you can assist.

I am happy to see we have a great fall hike schedule, thanks to the efforts of Peter Tilgner and our hike leaders. But there is as always a need for more leaders, so we will be offering a NYNJTC map set to new leaders after leading 2 hikes for our chapter. I think our chapter offers varied hikes for all levels, however I want to bring to your attention the new online calendar that lists hikes from all chapters. Go to www.trumba.com/calendar/adirondackmountainclub.

This year we are having our holiday party at the NYNJTC headquarters in the beautiful Darlington Schoolhouse in Mahwah, Sunday, December 4th from 2-5 PM. We are going back to a pot-luck this year. Please come and bring your favorite dish to share. We always have a wonderful time tasting new dishes and meeting old and new friends! See the details in this newsletter. (page 6)

Hoping to see you on the trails and at our holiday party.
Karen

North Jersey Ramapo Election

It's that time again!

Every two years we elect our chapter officers, the Chair, Vice Chair, Treasurer, Secretary and Director (our representative to ADK in Lake George). By tradition (all the way back to the beginning for the Ramapo Chapter and since the merger) the Chair serves one two-year term and then the Vice Chair is nominated as the new chair. The Treasurer and Secretary usually serve for several terms. This year is a little different. Our Vice Chair resigned for personal reasons last winter. Paul, our newly appointed (by the Chair with consent of the board) Vice Chair feels that he should have more experience with the chapter administration before becoming Chair. So Karen will run for a second term (the gods will be angry!) and Paul will run as Vice Chair. Allen and Fred will run again for Treasurer and Secretary. When Paul feels that he is ready (hopefully within a few more months) Karen will resign and Paul will become Chair (appeasing the gods!).

The election will be held at the Holiday Party on December 4. The slate is as follows:
- Chair: Karen Rose
- Vice Chair: Paul Margiotta
- Treasurer: Allen Grunthal
- Secretary: Fred Hodde
- Director: John Jurasek

Our Vice Chair may be new to some of you, so here is some basic info. Paul has been a member of ADK and the NYNJTC for over 13 years and has been a hike leader for 12 of those years. He worked on the mailing of the North Jersey Chapter newsletter and currently does the newsletter mailing for the NJR Chapter. He worked as a civil engineer (Cooper Union) for NYDOT and NYSTA (thruway) until his retirement a few years ago. Now he's an active Thursday hiker. He currently volunteers for Meals on Wheels. Paul and his wife Charlene live in Park Ridge, NJ.
Hiker’s Guide

Responsibilities - Hikers with children under 16 and new hikers are required to contact the hike leader in advance to determine if the hike is suitable for them. Minors under 16 are welcome on day hikes when accompanied by a parent or guardian. No person under 18 shall participate in overnight outings unless accompanied by a parent or adult sponsor over 21. The hike leader may refuse to allow a person to hike who is judged to be poorly equipped or unable to do the published hike. Pets are not permitted on hikes unless the hike description clearly states that it is “dog friendly”. Non-members are welcome on two hikes after which ADK membership is required. Participants should get to the hike at least 10 minutes prior to the starting time.

Risks - As with all physical activities, hiking involves hazards. Persons participate at their own risk and will be asked to sign a statement acknowledging that fact before starting the hike. Prior to the hike please advise the leader of any medical condition or physical liability that could affect you during the hike.

Footwear and Clothing - Wear clothing suited to the weather and carry extra garments for unexpected weather conditions. Dress in thin layers so that you can adjust the number of layers as required to maintain comfort. In winter carry a wool cap and wool or polypropylene gloves or mitts and a windproof shell. Be prepared for rain. Bring a rain jacket and rain pants, preferably of the type that permits venting body moisture. Wear comfortable, sturdy boots. Do not wear cotton garments in winter.

Drink and Food - Adequate hydration is important year round. Drink frequently during the hike. Carry food to enjoy during the midday lunch stop.

Dog-Friendly Hikes - All hikers with dogs must abide by park leash regulations.

Hike Ratings - represent the pace, distance and terrain covered during the hike. A hike's rating is determined by the hike leader.

Pace:  
A - fast - 2.5 mph or faster  
B - moderate - about 2 mph  
C - easy - 1.5 mph or less

Distance: is given in miles as noted

Terrain:  
A - Strenuous, long ups and downs, some rock scrambling possible.  
B - Moderate ups and downs as occur typically in Harriman.  
C - Generally flat with little elevation change.

Maps - The TC number indicates a NY-NJ Trail Conference map for the area of the hike. For example: TC-118 refers to the Southern Harriman Park map.

Abbreviations - NCA- No Calls After . . . , Pref.- Leader's contact preference.

Expense Sharing - When car-pooling, passengers are expected to offer the driver funds sufficient to cover the cost of fuel, tolls and parking fees. A $3.00 minimum per person is recommended. Most hike trailhead meeting locations can be found on NY-NJ Trail Conference maps.

Hike Cancellation Policy - Sometimes an illness, injury or other unforeseen problem will make it impossible for a hike leader to lead his/her hike as announced in the schedule. When this happens the leader should first try to find a substitute leader so the hike can proceed. The hike schedule chair person or any club officer can assist if necessary. If no substitute leader can be found then the leader or a substitute should appear at the hike meeting place to inform hikers of the situation. If a qualified leader volunteers, he/she should be given the sign-in sheet and the hike can proceed as scheduled. If the hike is one that requires preregistration, the leader must inform all who registered of the change by phone or e-mail.

Yoga for Hikers: Rooted Tree Pose (A wonderful Vrksasana variation)

by Deanna Felicetta, E-RYT

Rooted Tree is my favorite variation of the full expression of VRKASANA (Tree Pose). It stresses grounded strength and peacefulness, and can be done often by any hiker or Yoga student with much benefit.

Do you practice and try to improve your hiking skills when not on the trail? Just what do you do on those days of bad weather when the hike is canceled? A few moments of Yoga and Rooted Tree can be a part of your day indoors. We studied Mountain Pose in the Fall 2013 newsletter. We learned to stand firmly with our toes pointing forward, both feet pressing down into the earth and arms raised up to the sky. The power of grounding and extension this creates in our bodies is wonderful. In Rooted Tree we expand on that skill and learn steadiness while standing on one foot.

We begin standing barefoot with our feet parallel and a fist width apart (ideally on a hardwood floor). Stand tall and erect with stomach muscles engaged, chest open, arms at your side and head relaxed and facing front. The shift of weight from two feet to one and the toes of the other helps with the skill of focusing and body balance so important to hiking. Centering in our core and equilibrium are essential here. The pose is done twice, once on each side.

Let's start by moving our right foot. Press down firmly into the ball of your right foot and toes, then lift the heel up high and turn that heel so it rests on top of your left foot with the right side of the right foot against the front of the left ankle. The right foot will be at about a 45 degree angle. Press the left foot and right toes down firmly into the ground, creating the solid base of your rooted tree. Let your arms gently float up to the sky alongside your head. There are two arm styles for tree. I suggest you begin as an evergreen, so let your palms meet centered above your head with all fingers interlaced except the upward pointing index fingers. Breathe several times and be still.

Now let us do the other side. Again our feet are parallel and a fist width apart. Stand tall with an open chest as you let your arms hang at your sides. Press the ball and toes of the left foot into the floor. Begin to raise your left heel up high as you turn your foot placing your left heel on top of your right foot in front of your right ankle. Press the full right foot and toes firmly into the floor. On this side we will create a lovely tree with leaves, like an oak or maple. So let your arms float up to the sky alongside your head. Turn palms forward and separate the fingers with energy and let them each move away from your head sideways about six inches on each side. You may even want to let your branches move a little before bringing them to rest. Be extended and tall with your feet rooted down firmly. Breathe a few times as you feel the breeze through your great branches and let the leaves move gently about. This pose allows us to be comfortable in a change of place of our bodies, just as we do all day as we hike through the woods. It gives us emotional confidence. Enjoy the Rooted Tree. It is a steadying and peaceful pose.

Till we hike again,

NAMASTE,

Deanna
YOU ARE INVITED TO THE
ADK NJR Holiday Party
Sunday, December 4, 2016 from 2 to 5PM

Come and enjoy a delicious meal with the company of your fellow hikers in the beautiful renovated Darlington Schoolhouse.

This will be a pot-luck. Everyone should bring an appetizer, side dish, salad, main dish or dessert for six. Non-cooks can bring a bottle of wine or other beverage. The Chapter will supply a roast turkey breast, a baked ham, rolls and paper goods (plates, silverware, etc).

$5 per person, collected at the door.

You must RSVP to attend. See details on page 6.
