A Message From The Chair

Dear reader, I know what you are thinking - “Is this yet another attempt to get me to volunteer in some way?” Well, sorry to disappoint you, but that is not the case. I just happened to come across this very wise African proverb and wanted to share it with you. Please feel free to do likewise with your family members, co-workers or members of other organizations you might belong to. And, who knew a mosquito could be so darn cute?

But, since I did mention volunteering, kudos to Peter Tilgner for having received the …continued on page 2

Mohonk Day - Thursday, September 13

Once again, we are planning an all-day outing at Mohonk Mountain House on Thursday, September 13, with a rain date of Friday, September 14. Please keep both dates open in case of bad weather.

Mohonk Day is doing whatever you’d like; the planned activities are optional. Take a walk on the extensive carriage roads, join a 6-mile hike in the woods or, for the really ambitious, go on a rock scramble. But it’s all up to you. You can simply wander around the award-winning gardens, hotel, and gift shop; sit on the lakeside porch or in a gazebo reading; take part in various other activities (barn museum, greenhouse, lawn bowling, shuffleboard, horseshoes, frisbee golf, row-boating, and more) or simply enjoy watching the goings-on around this magnificent hotel.

After the day’s activities, we will shower and change on the pool level of the hotel’s health spa, then at 4 p.m. enjoy tea and cookies in the Lakeside Lounge or relax on the Sunset Porch with a cocktail (cash bar). Then we’ll meet at 6 p.m. for a delicious buffet dinner in the main dining room, including a selection of carved meats, hot entrees, vegetables, a salad bar and prepared salads and a variety of homemade desserts.

This year’s event is limited to ADK members and their guests. The cost includes taxes and tips and, for NJR Chapter members, is $85 with the reduced rate of $70 for seniors (age 65+). The cost for guests and members of other ADK chapters is $93, with a reduced rate of $78 for seniors. RSVP with payment must be received by Wednesday, September 5. Checks should be made payable to “NJR-ADK” and mailed to Daphne Downes, 3 Hazelwood Road, Sloatsburg, NY 10974. For car pooling arrangements, or if you have any questions, contact Daphne at daphner974@gmail.com or (201) 424-9360. We hope to see you at this favorite annual event!
A Message From The Chair (continued from page 1)

Distinguished Service Award from the NYNJTC in recognition of his 31 years of service to the Trail Conference as a volunteer including more than 10 years as the trail supervisor of Sterling Forest State Park. Besides leading hikes for us, he compiles our quarterly hike schedule - an unenviable task - that you see in each newsletter. And as Hike Schedule Committee Chair, he also serves on our Board of Directors. Thank you Peter for all your work!

And there are two great outings coming soon in September and October thanks to volunteers Daphne Downes and Karen Rose.

Daphne is once again organizing our popular annual Mohonk Day. However, it cannot be held on our usual Saturday after Labor Day, since the facility is in the midst of a major kitchen renovation and cannot accommodate such a large group that day. (More than 80 of us attended last year!) Instead, it is being held on Thursday, September 13 - a usual day for a scheduled hike. Also, unfortunately, they cannot offer us their discounted group rate as in the past, but they do offer a generous rate for seniors, 65 and older. (See page 1 for the details.)

Karen, a member of our Board as “Trails” Committee Chair, is planning a revival of a favorite tradition not held in many years - a weekend in the Adirondacks - which will be held over the Columbus Day weekend in October. (See below for further information.)

Please remember to thank Peter, Daphne and Karen when you see them at Mohonk, in the Adirondacks, or on hikes on the local trails.

Paul

REMEMBER - VOLUNTEERS MAKE IT HAPPEN!

Betty Heald
We mourn the loss of Betty Heald who died on May 21, 2018.

Betty was an active volunteer and board member of the North Jersey Chapter beginning in the 1970s. She was secretary, vice chair, programs chair and chair (more than once!) and held many other volunteer jobs. She initiated our Thursday hikes and led many of them. The Thursday hikes are now our most popular hikes, and have attracted many new members over the years. When the North Jersey and Ramapo chapters merged in 2009, Betty was there, as North Jersey secretary. After the merger, she took over the sign-in form record-keeping and revived the pot luck holiday party tradition. She finally retired just two years ago. Board meetings are just not the same without Betty.

Betty was also a hiker. She climbed peaks! The Adirondack 46ers, summer and winter, the North East 111, North East winter 100 highest and Catskill winter 3500, and many hikes with our chapter and others around the country and world.

Not just a hiker, but as an educator (she led a student hiking club), horticulturist, and active environmentalist, she inspired many. She was also an excellent bridge player. She will be missed but not forgotten.

Betty's family will hold a memorial service to celebrate her life at a later date.

The Hiker and Yoga
Yoga for outdoor lovers
By Deanna Felicetta, E-RYT, Yoga of the Heart certified

For any hiker and lover of the outdoors, Yoga can provide a wonderful balance. You can take Yoga with you on your hike in the mountains, and perhaps enjoy meditating by a quiet stream, or at some beautiful mountain viewpoint. Asanas, or poses, are also fun to do at an appropriate and safe location in the woods. You might feel the expression of a Mountain or Warrior pose quite warming to your spirit. Yoga has been doing this for people since ancient times. Yoga was first created in ancient India, and has traveled the globe through those who practice it. Yoga unites a person's mind, body and spirit. This unity creates the wonderful balance. As a hiker, I find that my mind, body and spirit are often calmed as I walk quietly in the woods.

At home, Yoga can be wonderful between hikes. Asanas can be wonderful for stretching those sore muscles the day after a hard hike, or keeping you moving and fit on days when that hike is canceled due to a snowstorm or a summer storm. Poses may keep you active; but quiet meditation is welcome at almost any time, especially after an Asana practice or in the evening after an energetic day outdoors.

Meditation is a very personal experience. There are many different techniques that can be used. No one is more or less correct than any other. Practicing sitting quietly helps to make the experience better for you. Some days are better, too, so never force it. I have always found keeping it simple is the best. So let's give it a try!

Find a comfortable floor space and place a folded blanket on the floor. Gently sit down with your legs crossed. One heel should be in front of the other. The leg furthest out is usually the right one, but the choice is up to you. Gently wiggle your bottom on the floor to find your comfortable seat. Press into the floor strongly and slowly lengthen your spine upwards. Relax your shoulders. Let your head and neck be still. Simply sit and reflect on a pleasant space of time from your recent hike and remember the site visually, and how it felt and smelled. Now close your eyes and breathe in and out gently. Focus on your thought. Bring the backs of your hands to your knees as you touch your thumb tip to your index finger with other fingers relaxed and straight in Gyan Mudra, or any other mudra (hand gesture) of your choice. Sit for as long as you are comfortable. Be at peace!

Till next time.

Nameste.
